Application conditions

1. Applicants can apply for multiple programmes and multiple rounds but must comply with the specified criteria.
2. Each applicant is granted only one right to study Bachelor of Engineering programmes.
3. Once applicants have confirmed their eligibility, they cannot apply in the next round.
4. If applicants decide to apply to the next round, they must go through the system of Council of University Presidents of Thailand (CUPT: ทปอ.) within the deadline. However, applicants can apply for a waiver and are given only one last chance to confirm their eligibility through CUPT (TCAS system).
5. Applicants must have self-verification to meet requirements. If applicants are later declared ineligible or fail to comply with the requirements, the university have the right to cancel their acceptance.
6. All the payments made for application cannot be refunded.
7. Admission Committee reserves the right to refuse and to admit applicants when considered appropriate.

Scholarship opportunity.

TEPE applicants are eligible to be considered for scholarship. Type of scholarships are as follows.

1. Full scholarship

- Full scholarship will be granted to students for their 1st year. To be eligible to receive a scholarship for the next year, students must have CGPA \geq 3.00 (without F and U).

2. Entry Scholarship

- Entry scholarship refers to 50% of credits fee waived for the scholarship recipient only for their 1st year. To maintain the scholarship, students must re-apply for scholarship upon announcement each year. Furthermore, their CGPA must be the highest 10% of their respective major.

Scholarship conditions

1. Both full and entry scholarships will be considered for each academic year.
2. The scholarships will not cover dormitory, personal expenses and other educational material of students' activities.
3. Recipients are required to do volunteer work for the TSE and TEP-TEPE program for 45 hours/semester.
4. The committee reserves the right to grant the scholarships with its absolute discretion.
